OK, sounds good. I'll send an invitation for us to chat after 3:00 on 9/29. I'm back in the office next Friday 9/26 and also open all morning on Tuesday 9/30 if either of those times work better for you. Thanks for getting back to me. Scott

Hi Scott,

Thanks for your VM. I'd like to talk with you about process before we have a call with the technical experts about the details. I'm in Alaska this week at the WESTAR meeting and it sounds like you'll be out of the office all next week. How about if just you and I talk on 9/29 or 30? We can also work on scheduling the larger call at the same time if you like for later that week or later.

At this point I'm open anytime after 3pm on 9/29 and anytime on 9/30.

Thanks,

Jeff
